## GUIDELINES AND REQUIREMENTS

I understand patients are responsible for obtaining a new prescription or referral when applicable from a medical doctor in order to receive physical therapy. I also understand I need to obtain a current prescription upon the expiration of each prescription as indicated by the doctor. This is a New York State Law and The Practice reserves the right to deny treatment without a valid prescription or referral.

I understand that if my insurance company limits my physical therapy during the calendar year, all physical therapy charges thereafter will be my financial responsibility.

The patient will be responsible for obtaining all authorizations and referrals, as applicable, and subject to all plan provisions. If the required authorizations and or referrals are not obtained and services are not covered by your plan, the patient or guarantor will be financially responsible.

Copayments, when applicable, will be paid at the time of check in for the therapy session. Copayments are to be made at the time services are rendered.

In order to receive maximum benefit from your rehabilitation program, it is of utmost importance that you attend your therapy appointments and follow home instruction.

We request that if you are unable to keep your appointment that you notify the secretary 24 hours prior to your scheduled appointment. It is your responsibility to schedule your appointments at least one week in advance.

**THERE WILL BE A \$20 FEE CHARGED TO YOUR ACCOUNT FOR ALL "NO SHOW"**

**APPOINTMENTS.** Patients, not insurance companies, are responsible for paying this fee.

You are subject to be discharged from our services after three missed appointments (within a four-week period).

Your cooperation is appreciated. We look forward to working with you and obtaining optimum outcomes from your rehabilitation program. This form has been fully explained to you and you understand it.

Ultimately it is your responsibility to know your insurance plans policy of coverage and to provide current and valid information to our office at all times, or you will be held responsible for all balances.
